

 **FOUR WINNS®**

*2018 Sport Boat Line*

## *40 years in the making.*

---

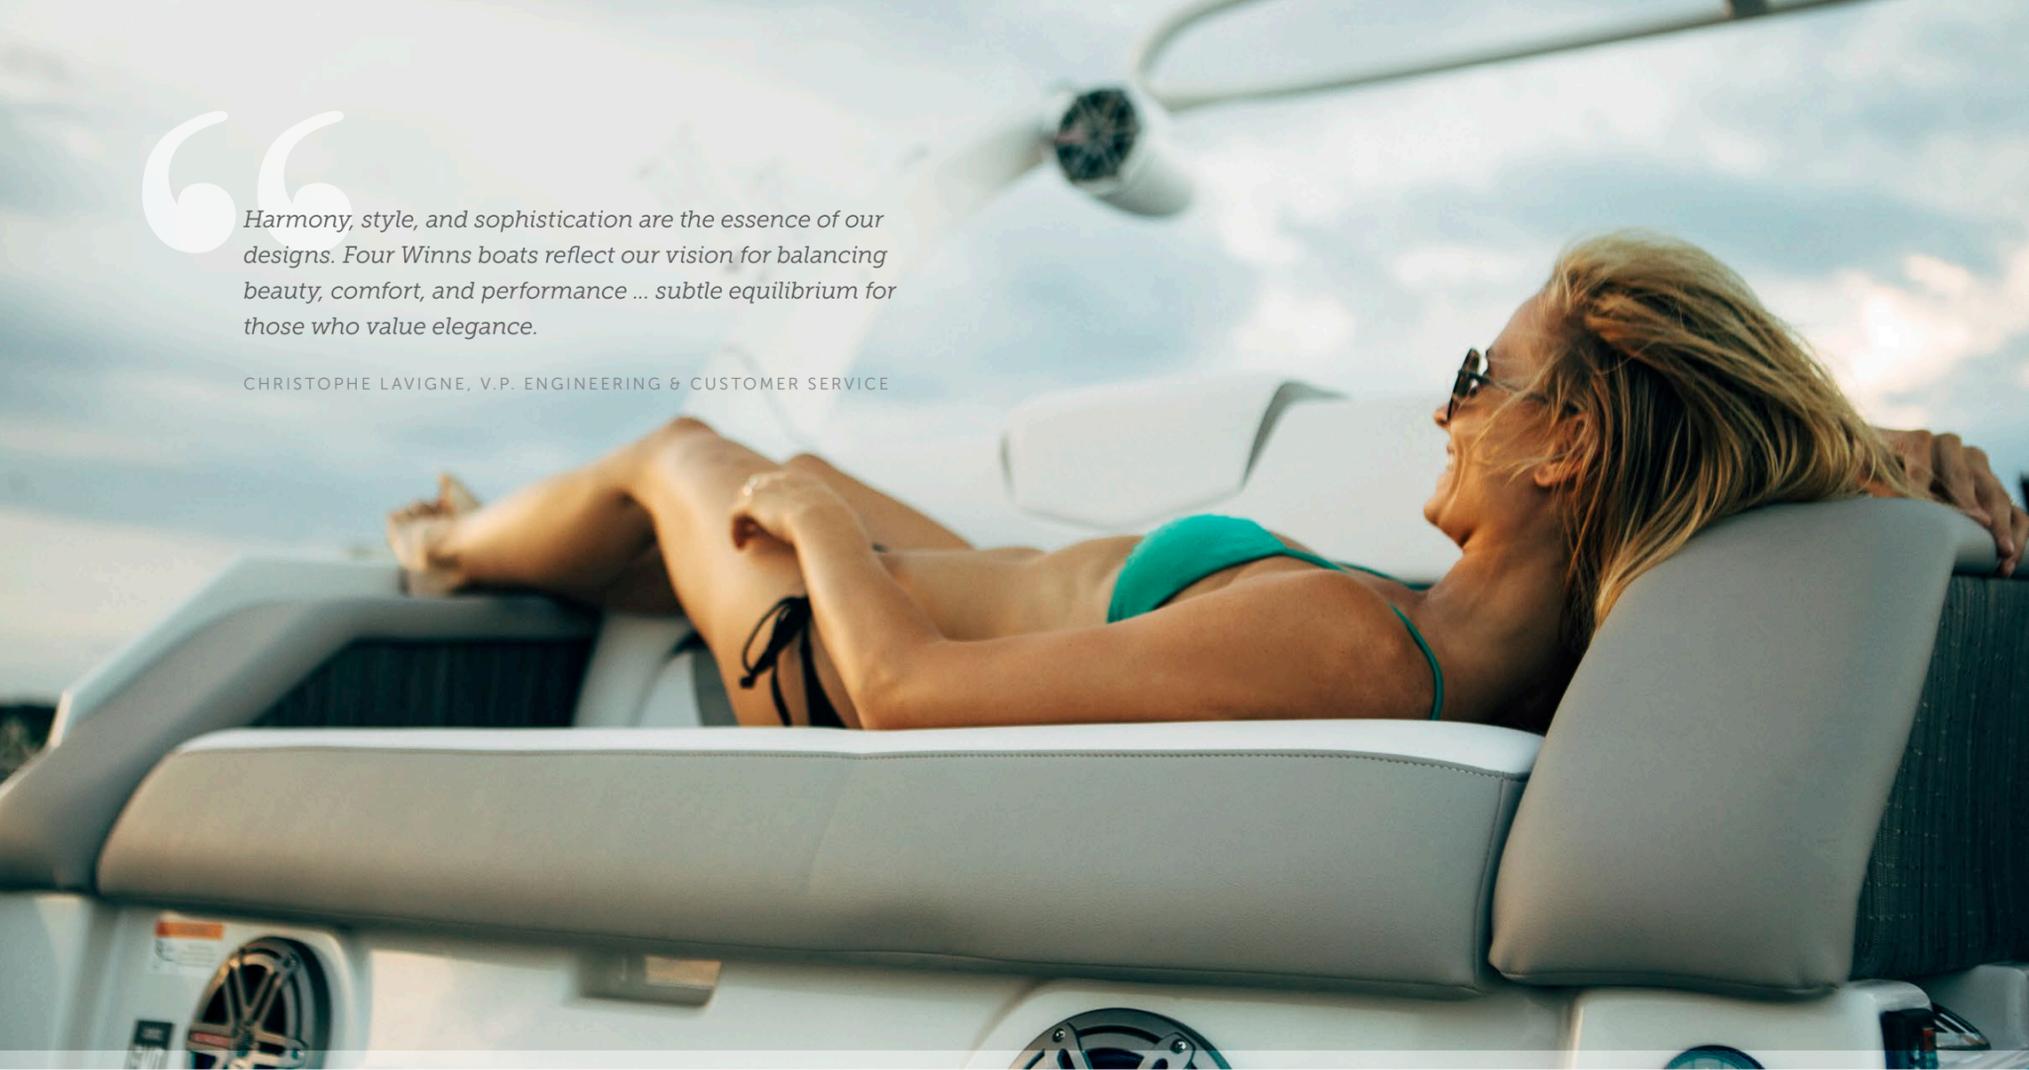

We have a proud heritage of retaining elements from our roots while embracing the future of boat building ... for 40 years Four Winns has pursued the joys of boating and what it takes to deliver a more beautiful ride.

A beautiful craft is realized through fine upholstery and poised sophistication, but can only be perfect when surrounded by the laughter of family and friends.

Four Winns is devoted to your convenience and boating opportunity. You feel deserving, safe and at ease ... and that's why Four Winns means luxury. With a Four Winns you're home.

*Life should be a beautiful ride.*

*Harmony, style, and sophistication are the essence of our designs. Four Winns boats reflect our vision for balancing beauty, comfort, and performance ... subtle equilibrium for those who value elegance.*

CHRISTOPHE LAVIGNE, V.P. ENGINEERING & CUSTOMER SERVICE

## *Premium Materials*

Specially curated fabrics, plush textures and stainless steel features harbor within every Four Winns. Premium hand sewn upholstery and keen attention to the smallest details ensure a superior level of elegance and comfort

## *Refinement*

From prototyping to final production every thread of detail and component undergoes extensive research and appraisal. This degree of attentiveness demands precision, mastery of the craft, and a diligent, unique eye for excellence leaving you with no question—your life is a beautiful ride.

*Legendary  
stability and control*

*Dare to be better.*

**STERN LIVING AREA**

From stern sunpads and flip-up backrests to chaise lounge seating, every Four Winns is designed with your leisure in mind.

**STORAGE**

Four Winns never skimps out on finished compartments or extra cubbies because we know hassle-free boating begins with maximum storage.

**DEEP REACH LADDER**

Convenience and comfort are what we do best so we make sure our angled, deep-reach ladders come standard on every Four Winns.

*Stable-Vee®*

The Stable-Vee® running surface—an innovation that turned the industry upside down in 1993—is still the best thing running. So simple ... so effective ... Four Winns continues to have some of the smoothest running, best handling boats in the world.

**CONFIDENT CORNERING**

Nowhere is the Stable-Vee advantage more evident than during a hard-cranking turn. The running surface clings to the water like it's on rails and stays flat for a more car-like feel. So you can turn the corner with confidence and leave all the look-alike hulls in your wake.

**3D WINDSHIELD**

Unique windshield designs that keep your family out of the wind alongside adding a sense of attitude to your Four Winns certainly make for a more beautiful ride.

**SPACIOUS COCKPIT DESIGNS**

Superior interior space, widened floorplans, and well-appointed seating throughout your boat allows everyone onboard to have their own favorite spot.

**EASY ACCESS**

A streamlined living area with walk-thru transom gives you an easy access pass to all the action.

## Trailers

BETTER BOATING BEGINS WITH A BETTER TRAILER

Four Winns® is one of the few recreational boat manufacturers in the world to make its own custom-matched, all-welded trailer. The difference lies in how easily the boat can be launched and loaded, plus it provides great stability while towing. It's a difference you'll appreciate every time you're at a crowded marina or launch, and it's a Four Winns exclusive, which means it's truly priceless.

Some options shown are not available on all models.

Choose your style.

## Classic

Our traditional styling with classic themes add textures and timeless exterior color options, along with a class leading array of interior color choices.

## RS & TS

Sporty, athletic apparel inspired materials and textures blended with bold vibrant colors make a statement while retaining the rich Four Winns quality.
