Warranty

BRP limited warranty covers the watercraft for one year.

SPARK 3UP

Feature Highlights

High-quality, waterproof 50-watt Bluetooth* portable sound system.

Innovative material that reduces weight while optimizing performance and efficiency. The color-in molding is more scratch-resistant than fiberglass.

Two fuel efficient, compact and lightweight Rotax® engine options.

Additional storage space to bring more gear on board.

Designed to improve freedom of movement while riding.

Makes boarding from the water easier and quicker.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
 - Custom frame design requires less water to load and unload watercraft.
 - Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
 - Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250

*Electronic brake, neutral and reverse. **iBR® and Convenience Package Plus adds 21 lb. (9kg).
