Warranty

BRP limited warranty covers the watercraft for one year.

Feature Highlights

Large front storage area that's easily accessible from a seated position.¹

Exclusive quick-attach system on the largest swim platform in the industry that allows for easy installation of accessories.

An industry-first manufacturer-installed, truly waterproof, Bluetooth[‡] audio system.²

The Rotax® 1503 NA offers instant acceleration for instant fun while the 1500 HO ACE™ features a powerful supercharger and is equipped with Advanced Combustion Efficiency (ACE) technology.

Waterproof and shockproof compartment specifically designed for phone protection.³

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
 - Custom frame design requires less water to load and unload watercraft.
 - Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
 - Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250
