Warranty

BRP limited warranty covers the watercraft for one year.

Feature Highlights

Large front storage area that's easily accessible from a seated position.¹

An industry-first manufacturer-installed, truly waterproof, Bluetooth® audio system.

Exclusive quick-attach system on the largest swim platform in the industry allows for easy installation of storage accessories.

Exclusive to Sea-Doo®, iBR® stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.

An innovative hull that sets the benchmark for rough water handling, stability, and offshore performance.

Waterproof and shockproof compartment specifically designed for phone protection.²

Trailer (optional)

- Fully adjustable carpeted bunks (side-to-side/front-to-back) allow you to change bunk angles to fit all watercraft.
 - Custom frame design requires less water to load and unload watercraft.
 - Sealed maintenance-free wheel bearings for added peace of mind.
- All models are available with a galvanized frame for extended life in all weather conditions or in a painted black version, with or without Marine Jack.
 - Move I Extended 1250 and Move II are also available in an aluminum frame, that delivers better corrosion resistance to significantly extend life of trailer.

Aluminum MOVE II

Aluminum MOVE I Extended 1250
